CTU

CZECH TECHNICAL
UNIVERSITY
IN PRAGUE

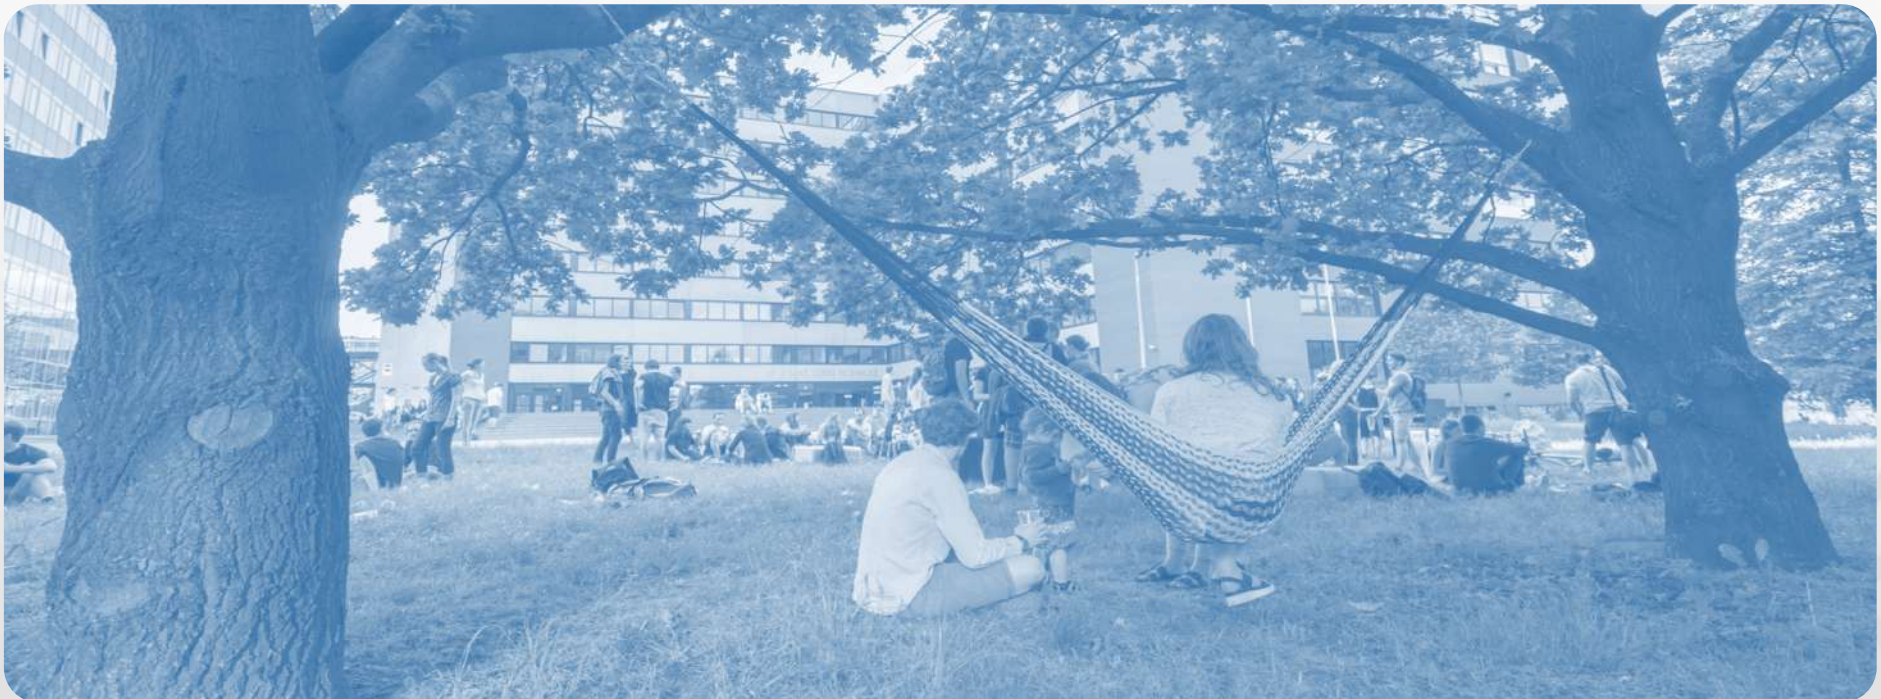

Ahoj!
HEY!

“

After successfully applying to study at the Czech Technical University in Prague you will have with many questions concerning your future stay in Prague, e. g. how to apply for visa, which documents and confirmations you will need to bring to Prague, how to get to the dormitory and campus, etc.

We've made a guide to help you with this "chaos" and we wish you a safe trip and hope that you will enjoy your studies at the oldest and the most famous technical university in Central Europe.

Before Arrival

Visa Application

After you have been accepted by CTU, **obtaining a visa takes 60–90 days after application**, so it is recommended to apply at your nearest Czech Embassy well in advance. An application for a long-term visa for the purpose of “studies” is free-of-charge.

We recommend you make additional copies of all documents before applying.

Also, spend at least your first semester in a CTU dormitory as the confirmation from CTU will speed the whole visa process.

Before Arrival

Documents to travel with

Make sure that you travel with the following documents:

- A travel document or/and an ID card**
- Four passport size photographs**
- Travel Insurance**
- Confirmation of studies**
- Confirmation of your accommodation**

HELPFUL INFORMATION

Contact your local Embassy about legalising documents for use in the Czech Republic and **enquire about Apostille**. An Apostille is an official stamp authenticating a public document. In case you'd like to retain the original document (e.g. diploma) **make notarised copies**. Lastly, you have to **translate all documents to Czech** with a certified court translator (in Czech "soudní tlumočník").

Validation and Nostrification

For a **Bachelor** study programme, you need validation of your secondary education. This validation is done by Prague City council: skoly.praha.eu/87436_RECOGNITION-OF-FOREIGN-EDUCATION

For **Master's** and Ph.D. study programme you need nostrification of your previous university studies. Nostrification is provided by CTU: www.cvut.cz/en/validation-of-foreign-university-education-and-qualifications-nostrification

Make sure that you have prepared the following copies of documents for Bachelor's degree study:

- Application form**
- Legalized school certificate/ diploma**
- A document from your school with the list of your high school subjects along with the number of hours studied per year**
- Proof that the school which issued your diploma/school report is integrated in the education system of your country**

For Master's degree and Ph.D. study:

- Legalised foreign university diploma**
- Legalized diploma supplement or the list of completed exams**

Before Arrival

Money

□ Bank cards

All types of MasterCard and VISA cards are widely accepted in shops, supermarkets, restaurants, at petrol stations, reception desks etc. You may encounter problems using a Maestro, American Express, Diners Club International, JCB Card, Mir, Union Pay and other cards.

□ Cash

Czech Republic is a member of the European Union, but it is not part of the Eurozone and **the official currency is the Czech crown** (or “koruna”). Some vendors may accept Euros but the exchange rate is unfavourable. There are cash machines (ATMs) available throughout Prague but be aware of withdrawal charges as they vary with the specifics of a transaction.

□ Cash for the first days

For the first days after arrival you will need cash for various transactions. We recommend you **prepare about CZK 12 000 / ~EUR 500 in cash** in advance or at least withdraw/exchange about **CZK 1 200 / ~EUR 50** at the airport before heading into town.

Medicines and medical certificates

If you have a history with certain medical conditions (e.g. asthma, allergies, etc.) please **prepare medical certificates** before coming to Prague to help the local doctors diagnose you and/or provide a prescription.

Try to arrive in Prague on Monday so you can make the most of the work week and finish all “official” procedures and download an offline map of Prague on Google Maps before arriving and pin all important address (accommodation, faculty, etc.)
