<https://online.pvzp.cz/clfe/kzpce/#/individual-basic-info?partner=CVUT&kod=CVUTEV202209>

There is also an option to use comprehensive insurance provided by Slavia pojišťovna which offer more favorable price while still keeping the sufficient scope of cover. This offer can be used on the following link.

https://cizinci.slavia-pojistovna.cz/Controllers/FormSteps/ForeignersEn_Step1.php?affiliate=eurovalley

You can modify the cover to suit your needs, but just the basic limit will meet the local authorities' requirements. The final price always depends on what scope of cover you choose (you can increase the limit, add liability insurance or insurance within the Schengen area), length of your stay and also are subject to frequent modification based on the current market situation etc. You can try all the options yourself in the online interface, but generally you will pay around 16 000 CZK per 12 months.

More details can also be found on our website here: <https://www.eurovalley.cz/health-insurance-for-students>. Also, when using one of our options, you can always get to us for further support should you need any. You can contact us by email at tf@eurovalley.cz

MOST COMMON QUESTIONS:

Q: Why do I even need to buy the insurance?

A: Every foreign national (except EHC holders and citizens of listed countries that are part of International Treaty - see the following [link](#) for more details) who will stay in the Czech Republic for 90 days or longer is required to arrange the Comprehensive health insurance.

Q: Will the insurance be accepted by my embassy when applying for a visa?

A: Absolutely! Both options offer comprehensive cover with limits that follow local legislation. Typically, the insurance period should overlay your visa period.

Q: Where can I get more details about the scope of cover?

A: European legislation requires the insurer to compile so called IPID (Insurance Product Information Document – [PVZP IPID](#) / [SLAVIA IPID](#)) Key features, exclusions and administrative procedures are specified in these documents.

Q: Does the insurance only work in the Czech Republic?

A: The comprehensive cover is only valid in the Czech Republic. However, there is an optional extension which adds urgent and necessary care within the Schengen area.

Q: And how do I use the insurance?

A: Once you're in the Czech Republic and are in a situation when you have to use the insurance, always contact the assistance service of your respective insurer to discuss your situation beforehand (if possible). They help you with finding the right medical facility and will make sure your visit there goes smoothly. In case of any doubts, feel free to contact Eurovalley at tf@eurovalley.cz.
